Special Events - Sebastiani Vineyards & Winery

Sebastiani Vineyards & Winery has been a Sonoma winemaking tradition since 1904. Utilizing grapes from a variety of premier growing sites in Sonoma County creates wines with added richness and complexity. Located in the heart of Sonoma wine country, Sebastiani offers a historic winery with a hospitality center comprised of 10,000 square feet. The winery features a superior venue draped with historical elements including a gorgeous tasting room bar that extends over 80 feet in length along with captivating Tuscan architecture. The private indoor event space is ideal for meetings and break-out seminars. Outdoor sites are also available as a unique alternative for corporate meetings and retreats. This is one of the most accomodating venues in Sonoma County.

The Outdoor Areas

All outdoor areas available for wine receptions and formal greetings. *No Sound Amplification after Sunset.*

The Fountain Courtyard

Located in front of the grand entrance into the hospitality center, the Fountain Courtyard features a stunning fountain in an open yet intimate space perfect for wine receptions.

Entering the Fountain Courtyard with its original stone and surrounding ambience, makes it an ideal area for a wine greeting, check-in, passed hors d'oeuvres and culinary stations.

The Rose Garden

Attached to the Fountain Courtyard, the Rose Garden adds an additional "al fresco" venue.

Arbor Park

A beautifully manicured garden park surrounded by trees of several varieties. Enjoy the best of California with a majestic palm tree as your group team-building backdrop or just relax with a barbeque or boxed lunch meal.

The Indoor Areas

The Tasting Room

The impressive high ceilings and Italian-themed architecture glow with the warmth of the beautiful fire place. The long serpentine tasting bar makes this room ideal for wine and hors d'oeuvre receptions.

Right inside from the Fountain Courtyard, this enviable reception area is laden with historic stone from the nearby quarry and filled with history.

The Barrel Room

An extraordinary room lined by one of the largest collections of hand-carved barrels in the country, including a 60,000 gallon antique barrel.

String lights float over guest tables creating the perfect ambiance for a dinner reception.

Your group will enjoy award-winning wines and delicious culinary pairings provided by our catering partners. Seats up to 120 with a dance floor or 150 without a dance floor.
